 24 appropriation by the county fiscal body after receiving a
 25 recommendation from the county executive.

26 (6) Five percent (5%) shall be paid to a town having a population
 27 of more than two thousand (2,000) but less than three thousand
 28 five hundred (3,500) located in a county having a population of

4 paid by the treasurer of state to the city or county during the state fiscal
5 year 2002. The amount determined is the base year revenue for the city
6 or county. The treasurer of state shall certify the base year revenue
7 determined under this subsection to the city or county. The total
8 amount of money distributed to a city or county under this section
9 during a state fiscal year may not exceed the entity's base year revenue.
10 For each state fiscal year, the treasurer of state shall pay that part of the
11 riverboat wagering taxes that:

- 12 (1) exceeds a particular city's or county's base year revenue; and
- 13 (2) would otherwise be due to the city or county under this
14 section;

15 to the state general fund instead of to the city or county.

16 (d) Each state fiscal year the treasurer of state shall transfer from the
17 tax revenue remitted to the state general fund under subsection (a)(3)
18 to the build Indiana fund an amount that when added to the following

27 subsection (a)(3) to comply with this subsection, the treasurer of state
28 shall reduce the amount transferred to the build Indiana fund to the
29 amount available in the state general fund from the transfers under
30 subsection (a)(3) for the state fiscal year.

31 (e) Before August 15 of each year, the treasurer of state shall
32 distribute the wagering taxes set aside for revenue sharing under
33 subsection (a)(1) to the county treasurer of each county that does not
34 have a riverboat according to the ratio that the county's population
35 bears to the total population of the counties that do not have a
36 riverboat. Except as provided in subsection (h), the county auditor shall
37 distribute the money received by the county under this subsection as
38 follows:

- 39 (1) To each city located in the county according to the ratio the
40 city's population bears to the total population of the county.
- 41 (2) To each town located in the county according to the ratio the
42 town's population bears to the total population of the county.

(3) After the distributions required in subdivisions (1) and (2) are made, the remainder shall be retained by the county.

(f) Money received by a city, town, or county under subsection (e) or (h) may be used for any of the following purposes:

(1) To reduce the property tax levy of the city, town, or county for a particular year (a property tax reduction under this subdivision does not reduce the maximum levy of the city, town, or county under IC 6-1.1-18.5).

(2) For deposit in a special fund or allocation fund created under IC 8-22-3.5, IC 36-7-14, IC 36-7-14.5, IC 36-7-15.1, and IC 36-7-30 to provide funding for debt repayment.

(3) To fund sewer and water projects, including storm water management projects.

(4) For police and fire pensions.

(5) To carry out any governmental purpose for which the money is appropriated by the fiscal body of the city, town, or county. Money used under this subdivision does not reduce the property tax levy of the city, town, or county for a particular year or reduce the maximum levy of the city, town, or county under IC 6-1.1-18.5.

(g) This subsection does not apply to an entity receiving money under IC 4-33-12-6(c). Before September 15 of each year, the treasurer of state shall determine the total amount of money distributed to an entity under IC 4-33-12-6 during the preceding state fiscal year. If the treasurer of state determines that the total amount of money distributed to an entity under IC 4-33-12-6 during the preceding state fiscal year was less than the entity's base year revenue (as determined under IC 4-33-12-6), the treasurer of state shall make a supplemental distribution to the entity from taxes collected under this chapter and deposited into the state general fund. Except as provided in subsection (i), the amount of an entity's supplemental distribution is equal to:

(1) the entity's base year revenue (as determined under IC 4-33-12-6); minus

(2) the sum of:

(A) the total amount of money distributed to the entity **and constructively received by the entity** during the preceding state fiscal year under IC 4-33-12-6; plus

(B) ~~any amounts~~ **the amount of any admissions taxes** deducted under IC 6-3.1-20-7.

(h) This subsection applies only to a county containing a consolidated city. The county auditor shall distribute the money received by the county under subsection (e) as follows:

(1) To each city, other than a consolidated city, located in the county according to the ratio that the city's population bears to the total population of the county.

(2) To each town located in the county according to the ratio that the town's population bears to the total population of the county.

(3) After the distributions required in subdivisions (1) and (2) are made, the remainder shall be paid in equal amounts to the consolidated city and the county.

(i) This subsection applies to a supplemental distribution made after June 30, 2013. The maximum amount of money that may be distributed under subsection (g) in a state fiscal year is forty-eight million dollars (\$48,000,000). If the total amount determined under subsection (g) exceeds forty-eight million dollars (\$48,000,000), the amount distributed to an entity under subsection (g) must be reduced according to the ratio that the amount distributed to the entity under IC 4-33-12-6 bears to the total amount distributed under IC 4-33-12-6 to all entities receiving a supplemental distribution.

(j) This subsection applies to a supplemental distribution, if any, payable to Lake County, Hammond, Gary, or East Chicago under subsections (g) and (i). Beginning in September 2016, the treasurer of state shall, after making any deductions from the supplemental distribution required by IC 6-3.1-20-7, deduct from the remainder of the supplemental distribution otherwise payable to the unit under this section the lesser of:

(1) the remaining amount of the supplemental distribution; or

(2) the difference, if any, between:

(A) three million five hundred thousand dollars (\$3,500,000); minus

(B) the amount of admissions taxes constructively received by the unit in the previous state fiscal year.

The treasurer of state shall distribute the amounts deducted under this subsection to the northwest Indiana redevelopment authority established under IC 36-7.5-2-1 for deposit in the development authority fund established under IC 36-7.5-4-1.

(1) eight million five hundred thousand dollars (\$8,500,000); or

(2) the amount of credits allowed under this chapter for taxable years ending before January 1 of the year.

(b) Except as provided in subsection (d), one-half (1/2) of the

amount determined by the department under subsection (a) shall be:

(1) deducted during the year from the riverboat admissions tax revenue otherwise payable to the county under ~~IC 4-33-12-6(d)(2)~~; **IC 4-33-12-6(d)(6) and the supplemental distribution otherwise payable to the county under IC 4-33-13-5(g);** and

(2) paid instead to the state general fund.

(A) The largest city by population located in the county.

(B) The second largest city by population located in the county.

(C) The third largest city by population located in the county; and

(1) eight million five hundred thousand dollars (\$8,500,000); minus

(2) the amount determined by the department under subsection (a)(2);

shall be paid to the northwest Indiana regional development authority established by IC 36-7.5-2-1 instead of the state general fund. Any amounts paid under this subsection shall be used by the northwest Indiana regional development authority only to establish or improve public mass rail transportation systems in Lake County.

SECTION 5. IC 6-3.5-7-13.1, AS AMENDED BY P.L.137-2012, SECTION 99, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2015]: Sec. 13.1. (2) By a county, city, or town for:

(A) the construction or acquisition of, or remedial action with respect to, a capital project for which the unit is empowered to issue general obligation bonds or establish a fund under any statute listed in IC 6-1.1-18.5-9.8;

The first three million five hundred thousand dollars (\$3,500,000) of the tax revenue that results each year from the tax rate increase shall be paid by the county treasurer to the treasurer of the northwest Indiana regional development authority under IC 36-7.5-4-2 before certified distributions are made to the county or any cities or towns in the county under this chapter from the tax revenue that results each year from the tax rate increase. If Porter County ceases to be a member of the northwest Indiana regional development authority under IC 36-7.5 but two (2) or more municipalities in the county have become members of the northwest Indiana regional development authority as authorized by IC 36-7.5-2-3(i), the county treasurer shall continue to transfer the three million five hundred thousand dollars (\$3,500,000) to the treasurer of the northwest Indiana regional development authority under IC 36-7.5-4-2 before certified distributions are made to the county or any cities or towns in the county. In Porter County, all of the tax revenue that results each year from the tax rate increase that is in excess of the first three million five hundred thousand dollars (\$3,500,000) that results each year from the tax rate increase must be used by the county and cities and towns in the county for homestead credits under subdivision (5).
